Subject: Inquiry Regarding EPA Form 3300-1 for Certification of Pollution Control Facilities for Rapid Tax Amortization

Mr. Payne: American Electric Power is required to submit to EPA Region 6 Forms 3300-1 Applications for Certification of Pollution Control Facilities for certain pollution control additions made to three of its power plants located in Region 6 (Texas, Oklahoma and Arkansas). Can you advise of the name, title and address of the person at Region 6 to whom we should address the applications?
